Dear Fisher:

STAT

I have received the list of people from the Commission whom you expect to be involved in studies on intelligence and for whom clearances are needed. I have initiated preliminary action with the Office of Security on this matter, and [ ] of my staff, will be following up on it.

Perhaps you and I can get together for lunch some day next week to discuss the focus of your studies after Mr. Colby and Ambassador Murphy agree on the basic terms of reference. Meanwhile, please let me know if there is any other help we can give you.

Sincerely,

STAT
